It would be a sad day for us all if you passed legislation allowing "spear fishing" contests in and around Monterey Bay & Pacific Grove. Many of us look forward to seeing our giant Ling Cod friends, as well as some larger species of Flounder that come to visit occasionally. One good "kill" for a spear fisher affects hundreds if not thousands of divers.

You will be doing the fish community as well as the scuba diving community a disservice if you allow fish to be killed for "sport".

I appreciate your not adopting package 1.

Thank you.
